

Reflection Chart

Quotation or Paraphrase from Text (include page number)	Thoughts About It

Book Report

A book report should give enough information to help a reader decide for or against reading the book. Use this form to help organize your report.

Introduction

Title

Author

Main theme

Brief plot summary

Personal response

Support (evidence, examples, quotations)

Conclusion (may give recommendation)

Responding to Literature

A response to literature describes your reactions to and thoughts about aspects of a literary work. Take notes here to help clarify your response.

Introduction (identify work)

Thesis (includes my response)

Key supporting points	Evidence from the text
1.	
2.	
3.	
4.	

Conclusion

Literary Analysis

A literary analysis closely examines key elements of a literary work and explores how those elements affect the meaning of the work. Use this form to clarify your ideas.

Introduction (identify work)

Focus of the analysis (plot, characters, setting, theme, other literary elements)

Thesis

Key supporting points	Evidence from the text
