

With Mrs. Skidmore-
Snow volcanos, a hot chocolate surprise,
And experiment with candy canes and pine cones!!

Science is everywhere and you are never too young to start exploring.

Come investigate with Mrs. Skidmore after school. Every week there will be a new experiment to be explored and discussed. We will build skills in observation, communication, and fun.

Who: Science Club is being offered for K-3rd grade students!

When: Tuesdays after school 3:15 pm- 4:15 pm

Dates: 1/15, 1/22, 1/29, 2/12, 2/19, 2/26 (not during Conferences)
